Reference: Your Family Name

Code: KC ROTO21

(Note that Your **Family Name** means the last name of the people registering - Not the person or company paying - don't forget this as we have had difficulty marrying up registrations with payments that don't have a name & code - so for this camp, please also put in the code of **KC ROTO21** so we know which camp the payment is for)

You may pay for the camp in instalments if you so wish. Please note this on the registration form above in the tick box provided. The last installment should be 7 days prior to camp. You can start now!
